

**REMARKS**

In the Office Communication, the Examiner indicated that the Amendment of August 25, 2005 was non-compliant. It is the Applicants' understanding that the reason for the finding of non-compliance is the dependencies in the withdrawn claims. The Examiner required the Applicants to submit the corrected portion of the non-complying Amendment. As the finding of non-compliance was based on the claims, the Applicants re-submit the entire claim section of the amendment.

Applicants corrected the dependencies of the withdrawn claims 12, 14, 15, 16, 18, 19, 23, 24, 26, 35, 45, 50, 55, 65, 70, 79, 81 and canceled withdrawn claims 23-24, 38-39, 43-44, 48-49, 53-54, 56-59, 63-64, 66-67, 68-69, 71-77 without prejudice to presenting the subject matter of these claims in a continuation application. No new matter is introduced. It is believed this Letter fully responds to the Office Communication. Allowance of all pending claims is respectfully requested. If the Examiner believes otherwise, the Examiner is respectfully requested to contact the undersigned attorney at (908)-203-6500.

Respectfully submitted,
